

Application Supplemental Questionnaire

Position: FOREMAN

Supplemental Questions are REQUIRED and MUST be submitted to be considered for this position. Responses to the questions serve as documentation of each candidate's ability to present information clearly and concisely in writing.

Please limit all answers to supplemental questions to no more than one page each. Responses must be typed. If no experience, please indicate "N/A". Your answers to these questions and your employment application will be evaluated to determine if you will be considered further.

1. Please outline your job experience and why it makes you a good fit for this position.
2. This position oversees the installation and repair of water distribution and wastewater collection systems. What specific experience do you have maintaining, repairing and constructing these types of systems.
3. Describe your experience managing multiple projects with varying deadlines while ensuring accuracy of your work, including techniques you utilize to stay organized and be successful.
4. In your own words, what is your biggest personal/professional accomplishment?
5. Describe your experience providing coordination, work direction, training to less experienced co-workers.
