

**HUMBOLDT COMMUNITY SERVICES DISTRICT
BOARD OF DIRECTORS
REGULAR MEETING**

AGENDA

DATE: **Tuesday, February 10, 2026**

TIME: **5:00 p.m.**

LOCATION: **5055 Walnut Drive, Eureka, CA**

Teleconference locations: 5055 Walnut Drive, Eureka, CA

The HCSD Boardroom is open to the public during the open session of the meeting. This meeting is also held by video/teleconference, per CA Govt Code § 54953(b). If a member of the public cannot attend in person and would like to speak on an agenda item, including Public Participation, please join through the Zoom website (zoom.us) by entering Meeting ID 388 963 6754 and Passcode 202520. Access may also be via telephone by dialing 1-669-900-9128.

A. ROLL CALL

Directors Benzonelli, Gardiner, Hansen, Matteoli, Ryan

B. PLEDGE OF ALLEGIANCE

C. CONSENT CALENDAR

1. Approval of February 10, 2026, Meeting Agenda	<i>Pgs. 1-2</i>
2. Approval of Minutes of the Regular Meeting of January 27, 2026	<i>Pgs. 3-6</i>

D. REPORTS

1. <u>General Manager</u>	<i>Pgs. 7</i>
a) District Update	
2. <u>Finance Department</u>	
a) January 2026 Check Register	<i>Pgs. 9-20</i>
b) FY 2026 Q2 Investment Report	<i>Pgs. 21-22</i>
3. <u>Engineering</u>	<i>Pgs. 23-24</i>
a) Update	
4. <u>Planning</u>	<i>Pgs. 25</i>
a) Update	

5. Legal Counsel
6. Director Reports

E. PUBLIC PARTICIPATION

The public may comment on items not on the agenda. Please use the information above to participate via Zoom. The Board requests that speakers state their name and where they are from, and limit their communications to 3 to 5 minutes. After all oral communications, the Board or staff may briefly respond to comments with information; however, the Brown Act prohibits discussion of matters not on the published agenda. Matters requiring discussion or action will be placed on the agenda of a future meeting.

F. NEW BUSINESS

G. CLOSED SESSION

1. PURSUANT TO Government Code Section 54954.5(e) PUBLIC EMPLOYEE PERFORMANCE EVALUATION – General Manager

H. ADJOURNMENT

Next Res: 2026-02
Next Ord: 2026-01

In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact Robert Christensen at (707) 443-4558, ext. 210, or by email at asm@humboldtcsd.org. Notification 48 hours before the meeting will enable the District to make reasonable arrangements to ensure accessibility for this meeting (28 CFR 35.102–35.104, ADA Title II).

Pursuant to CA Govt §54957.5(a), any public record writings relating to an agenda item for an open session of a regular meeting of the Board of Directors, not otherwise exempt from public disclosure, are available for public inspection upon request at the District offices located at 5055 Walnut Drive, Monday through Friday during regular business hours.

**DRAFT MINUTES OF THE REGULAR MEETING
OF THE BOARD OF DIRECTORS OF THE
HUMBOLDT COMMUNITY SERVICES DISTRICT**

The Humboldt Community Services District Board of Directors met in regular session at 5:00 p.m. on Tuesday, January 27, 2026, at 5055 Walnut Drive, Eureka, California, and via Zoom at 50 Via Ravello, Henderson, Nevada.

A. CALL TO ORDER AND ROLL CALL

Present upon roll call: Directors Benzonelli, Gardiner, Hansen, and Matteoli. Staff in attendance: General Manager Williams (GM), Finance Manager Montag (FM), Utility Services Planner Rodriguez (USP), and Assistant Engineer Rawal (AE).

B. PLEDGE OF ALLEGIANCE

President Hansen invited those present to join in the Pledge of Allegiance.

C. CONSENT CALENDAR

1. Approval of January 27, 2026, Meeting Agenda
2. Approval of Minutes of the Regular Meeting of January 13, 2026

IT WAS MOVED BY DIRECTOR MATTEOLI, SECONDED BY DIRECTOR BENZONELLI, TO APPROVE THE JANUARY 27, 2026, CONSENT CALENDAR. MOTION CARRIED UPON THE FOLLOWING ROLL CALL VOTE:

AYES: BENZONELLI, GARDINER, HANSEN, MATTEOLI
NOES: NONE
ABSENT: RYAN

D. REPORTS

1. General Manager

a) District Update

GM reported that the annexation of the North McKay Ranch Subdivision was approved by the Humboldt Local Agency Formation Commission (LAFCo) on January 21. Staff is working with the County Planning Department on a proposal for CDBG funds to identify infrastructure needs in the Walnut Drive Corridor to support the full build-out of the Eureka Community Plan for approximately 5,000 units.

2. Finance Manager

a) December 2025 Budget Statement

FM reviewed the Budget Statement and noted a fairly standard month. The District received a \$4,405 reimbursement from a District-initiated insurance claim for a fire hydrant damaged in a single-vehicle accident. Computer Software

DRAFT MINUTES OF THE REGULAR MEETING
OF THE BOARD OF DIRECTORS OF THE
HUMBOLDT COMMUNITY SERVICES DISTRICT
JANUARY 27, 2026

Maintenance will significantly exceed the budgeted amount for Fiscal Year (FY) 2026 due to the upgrade of the District's financial management software; It will not have a significant impact on the District's overall budget.

*Legal Counsel (LC) Plotz arrived at 5:04 p.m.
Director Ryan arrived at 5:06 p.m.*

3. Engineering

a) Update

AE updated the Board on the sewer smoke testing in the King Salmon area conducted on January 14. The inspection identified significant deficiencies in private sewer systems within trailer park areas and residential neighborhoods. The District will advise ratepayers with identified deficiencies in their private systems. Public outreach will be coordinated on the responsibilities of private property owners for their sewer connections. The District will also be evaluating manhole lid designs to reduce stormwater inflow into the system.

4. Planning

a) Update

USP updated the Board on a variance request for a Conditional Use Permit for a proposed 150-foot Verizon telecommunications tower on Misty Hills Lane. The requested variance was to reduce the required 10-foot horizontal separation for parallel installations to 5 feet along a 320-foot alignment. After inspecting the site and reviewing the easement, District staff determined that a ten-foot separation was physically feasible and denied the variance. The District is considering an alternative alignment proposed by the proponent that would require a 90-degree crossing of the water main.

5. Legal Counsel

No report.

6. Director Reports

Director Benzonelli attended the LAFCo meeting, where the North McKay Ranch Annexation to HCSD was approved. Director Benzonelli also attended a Redwood Region Economic Development Commission meeting, where the Humboldt Bay Harbor, Recreation and Conservation District delivered a presentation.

E. PUBLIC PARTICIPATION

No Public Comment.

DRAFT MINUTES OF THE REGULAR MEETING
OF THE BOARD OF DIRECTORS OF THE
HUMBOLDT COMMUNITY SERVICES DISTRICT
JANUARY 27, 2026

F. NEW BUSINESS

1. Consideration of Claim for Damages – 1924 Ridgewood Drive

GM reported that on December 18, the District experienced a Sanitary Sewer Overflow (SSO) from a private cleanout at a residence. The SSO entered the residence's crawl space. During the investigation of the SSO, the District determined the cause of the blockage to be an impact driver pipe cutting tool lodged in the District's sewer main. The property owner subsequently submitted a claim to the District seeking reimbursement for completed work and estimated future costs. The total claim amount exceeds \$10,000. The District determined that the blockage likely entered the District's system during maintenance activities at the Ridgewood School site, approximately 700 feet from the blockage. The District's insurer, ACWA JPIA, has contacted the school to notify them of the claim and request information on the insurance carriers of the contractors who may be responsible for the blockage. Rejecting the claim will limit the lawsuit's exposure to six months and allow ACWA JPIA to evaluate and potentially subrogate the claim.

There was no public comment.

IT WAS MOVED BY DIRECTOR BENZONELLI, SECONDED BY DIRECTOR MATTEOLI, TO REJECT THE CLAIM FOR DAMAGES FROM THE RATEPAYER AT 1924 RIDGEWOOD DRIVE. MOTION CARRIED UPON THE FOLLOWING ROLL CALL VOTE:

AYES: BENZONELLI, GARDINER, HANSEN, MATTEOLI, RYAN
NOES: NONE

2. Consideration of Subrecipient Agreement with County of Humboldt for Community Development Block Grant (CDBG) Funded Project

GM reported that the District is working with the County on a proposal for CDBG Funds to study infrastructure needs in the Walnut Drive Corridor. A funding requirement is that the District enter into a sub-recipient agreement with the County. The final agreement will be reviewed by District Legal Counsel.

Director Benzonelli emphasized that long-range planning should encompass the entire region and that the city and the Humboldt Bay Municipal Water District should be engaged in discussions on development. Director Gardiner asked what long-term compliance obligations the District may have from entering into the agreement. GM responded that the grant would be approximately \$300,000, allocated to a consultant for the study. If the District were to implement any infrastructure projects as a result of the study, it would be responsible for their maintenance and operation. Director Ryan asked about the conflict-of-interest clause in the agreement. LC responded that CDBG is federally funded and that federal regulations include provisions for conflict of interest for recipients, sub-recipients, and consultants.

DRAFT MINUTES OF THE REGULAR MEETING
OF THE BOARD OF DIRECTORS OF THE
HUMBOLDT COMMUNITY SERVICES DISTRICT
JANUARY 27, 2026

GM noted that the grant prohibits reimbursing for management costs associated with the study, and the County has agreed to reimburse the District for any management costs incurred.

There was no public comment.

IT WAS MOVED BY DIRECTOR BENZONELLI, SECONDED BY DIRECTOR RYAN, TO APPROVE AND AUTHORIZE THE GENERAL MANAGER TO SIGN THE SUBRECIPIENT AGREEMENT WITH THE COUNTY OF HUMBOLDT FOR A COMMUNITY DEVELOPMENT BLOCK GRANT FUNDED PROJECT. MOTION CARRIED UPON THE FOLLOWING ROLL CALL VOTE:

AYES: BENZONELLI, GARDINER, HANSEN, MATTEOLI, RYAN
NOES: NONE

G. CLOSED SESSION

1. PURSUANT TO Government Code Section 54954.5(e) PUBLIC EMPLOYEE PERFORMANCE EVALUATION – General Manager

At 5:41 p.m., **IT WAS MOVED BY DIRECTOR BENZONELLI, SECONDED BY DIRECTOR RYAN, TO MOVE INTO CLOSED SESSION. MOTION CARRIED UPON THE FOLLOWING ROLL CALL VOTE:**

AYES: BENZONELLI, GARDINER, HANSEN, MATTEOLI, RYAN
NOES: NONE

The Board returned to open session at 6:40 p.m., and President Hansen reported that the Board had taken no action.

H. ADJOURNMENT

Without further business, **IT WAS MOVED BY DIRECTOR RYAN, SECONDED BY DIRECTOR BENZONELLI, TO ADJOURN. MOTION CARRIED UPON THE FOLLOWING ROLL CALL VOTE:**

AYES: BENZONELLI, GARDINER, HANSEN, MATTEOLI, RYAN
NOES: NONE

THE BOARD ADJOURNED ITS REGULAR MEETING OF January 27, 2026, AT 6:41 P.M.

Submitted, Board Secretary

Humboldt Community Services District

Dedicated to providing high quality, cost effective water and sewer service for our customers

MEMORANDUM

TO: Board of Directors

FROM: Terrence Williams, General Manager

DATE: February 6, 2026

SUBJECT: General Manager Report for February 10, 2026 Board Meeting

Promotions

I'm pleased to report two recent personnel promotions within the HCSD organization: Noah Altic and Susan Chase.

Noah joined the District in January 2024 and has played an important role in supporting our Instrumentation Technician during the implementation of the SCADA system. In a relatively short time, Noah has demonstrated strong initiative and commitment to professional growth by earning his Commercial Driver's License and Distribution Operator Grade 2 certification. Noah consistently brings a strong work ethic, a positive attitude, and a willingness to take on new challenges. Noah was also the only employee to achieve perfect attendance in 2025, with no unplanned absences. His contributions have made him a valued member of the team, and he has earned his promotion from Utility Worker I to Utility Worker II.

Susan joined the District in December 2023 and serves in the Customer Service Department. Since coming on board, Susan has developed a thorough understanding of Utility Billing and Accounts Payable, while also taking on leadership roles beyond her core duties. She currently serves as chair of the Safety Committee, actively participates in the Employee Association, and consistently demonstrates enthusiasm and dedication to the District and its operations. Susan's initiative, professionalism, and engagement have made a meaningful impact, and she has been promoted from Customer Service Representative I to Customer Service Representative II.

Please take a moment, if you have the opportunity, to congratulate Noah and Susan on their well-deserved promotions and thank them for their continued contributions to HCSD.

PAGE INTENTIONALLY BLANK.

Humboldt Community Services District

Dedicated to providing high quality, cost effective water and sewer service to our customers

MEMORANDUM

For HCSD Board of Directors Regular Meeting of: February 10th 2026

AGENDA ITEM: D.2.b

TITLE: Investment performance report for 2nd QTR 2026

PRESENTED BY: Michael Montag, Finance Manager/District Treasurer

HCSD currently invests 100% of its working capital, capital improvement reserves, and debt payment reserves in FDIC-insured demand deposit accounts at Umpqua Bank, and US Bank. District Investment funds are held with the County of Humboldt Investment Pool and California CLASS JPA Investment Pool. As of December 31, 2025, the District had cash deposited in the following:

Umpqua Bank Checking Account:	\$ 536,276.85
U.S. Bank Checking Account:	\$ 2,886,155.99
County of Humboldt Treasury:	\$ 1,109,466.75
California CLASS JPA Investment Pool:	\$ 15,309,011.82

Additionally, after the close of the 2nd quarter of Fiscal Year 2026, \$2,002,000 has been transferred from the District's US Bank Checking account to the District's Redwood Capital Bank account. \$2,000,000 of this will be held in a CDARS Insured Certificate of Deposit earning 3.28% annualized interest, and \$2,000 will remain in an FDIC Insured checking account with Redwood Capital Bank, as required to maintain a Certificate of Deposit account.

Interest earned for FY 2025 and for the first two quarters of FY 2026 for the investment funds are listed in the table below (checking accounts are not interest-bearing). For comparison purposes, the State of California LAIF (Local Agency Investment Fund) rates are also included in the table. The County of Humboldt shows only the result from the first quarter of Fiscal Year 2026 since the county has not yet reported results for the second quarter.

Investment Source	FY 2025 % Return	FY 2026 Beginning Balance	1 st Quarter Investment Returns	2 nd Quarter Investment Returns	2026 Return % (raw)	2026 Return % (annualized)
County of Humboldt	2.94%	\$1,109,466.75	\$8,352.34	N/A	0.75% (1 st QTR)	3.00%
CA CLASS JPA	5.30%	\$13,030,456.07	\$142,215.34	\$136,300.32	2.14%	4.28%
LAIF	4.41%	N/A	N/A	N/A	2.08%	4.16%
Redwood Capital Bank (CD)	N/A	N/A	N/A	N/A	N/A	3.28%

(cont.)

Per California Government Code Section 53646, I certify that the District's investments are in conformity with the District's investment policy and that there is sufficient cash flow liquidity to meet the next six months estimated expenditures.

Michael Montag
Finance Manager, Humboldt Community Services District

Humboldt Community Services District

ENGINEERING MEMORANDUM

To: Board of Directors
From: Kush Rawal, Assistant Engineer
Date: February 6, 2026
Subject: Assistant Engineer Progress Report for the February 10, 2026 Board Meeting

King Salmon Sewer System – Variable Frequency Drive Installations

The District recently completed installing Variable Frequency Drives (VFDs) at key sewer lift stations (SLS) within the King Salmon sewer system to improve operational control during high inflow and infiltration events. These upgrades enable District staff to more effectively modulate pump speeds during extreme tidal and wet-weather conditions, reducing the risk of surcharging and sanitary sewer overflows.

During the final week of January, the King Salmon community experienced a series of king tides. These tides were smaller than the significant king tides that occurred earlier in the month but still resulted in elevated system flows and provided an important opportunity to evaluate the effectiveness of the newly installed VFDs under real-world conditions. District staff used this period to actively manage the system and refine operational strategies using the new controls.

VFDs were installed at the Buhne and Perch SLS's, allowing pump speeds to be adjusted by modifying operating frequency. This allows staff to remotely slow or increase pump speeds as needed without sacrificing pump efficiency and reduces power demand during lower-speed operation. The Buhne and Perch stations are now configured to communicate with each other through the District's SCADA system, enabling coordinated flow management between stations.

Under normal conditions, the Perch SLS operates in automatic mode at the lower end of the frequency range. This allows the station to move flow without overwhelming the downstream manhole leading toward the Buhne SLS. The Buhne SLS operates at a lower end frequency. When wet well levels at Buhne SLS increase, the system is programmed to increase to medium speed and, if necessary, to an overspeed condition. While efficiency decreases beyond this point, the overspeed capability provides an important safeguard during extreme events.

The King Salmon SLS is also integrated into this coordinated control strategy. If the King Salmon SLS experiences high wet well levels, both the Buhne and Perch SLSs automatically reduce their pumping rates. This coordinated response allows the District

Assistant Engineer's Report to the Board of Directors for
February 10, 2026 Board Meeting
Page 2 of 2

to intentionally manage flow toward a known, controlled spill location rather than risk simultaneous surcharging at multiple points in the system.

During the late January king tide event, this coordinated approach proved effective. The Perch SLS slowed, while the Buhne SLS increased speed. This created a more gradual and controlled flow transition between the two stations. Buhne operated primarily at medium speed, without reaching high-speed or overspeed conditions. Throughout the event, staff were able to remotely adjust pump frequencies in real time and maintain stable system levels, while also controlling flow within the collection system.

While these upgrades do not eliminate all risks associated with extreme inflow and infiltration, they provide staff with a critical tool to better regulate system performance, limit surcharging, and reduce the likelihood of uncontrolled sewer overflows during future king tide and storm events.

MEMORANDUM

TO: Board of Directors

FROM: Ana Rodriguez, Utility Services Planner

DATE: February 10, 2026

SUBJECT: Utility Services Planner Report for February 10, 2026 Board Meeting

The start of the calendar year is a busy time for referrals in the planning department as contractors and project proponents prepare for the construction season. The District received approximately ten County referrals in January. These referrals fall into two categories:

Planning and Building.

Planning referrals is the big picture, strategic part of a project during pre-development. When the District receives a planning referral from the county, it works closely with the County and the project proponent to determine which infrastructure may be needed, why it is needed, where it makes sense to place utilities, and whether the project, as initially proposed, is feasible. This stage focuses on defining goals, identifying needs, weighing different options, and asking the right questions early. It is meant to be flexible, allowing ideas to be tested and refined before significant and financial resources are committed by contractors.

Building referrals occurs during the execution phase, and the focus is on turning plans into reality. This is where detailed design, permitting, construction, implementation, and inspection occurs. Approval on building referrals is more structured and less flexible, since changes at this stage can be costly, causing delays and affecting timelines. Strong planning reduces risk and sets projects up for success during the building phase.

Strong planning reduces risk and sets projects up for success during the building phase.
